Senator S4

SKICRAFT DESIGNED AND BUILT

For more than 4 decades Skicraft has forged a legendary reputation within the boating fraternity. Skicraft's unique awarded technology has set benchmarks throughout the industry with its solid cornering ability, smoother ride and zero bow lift (ZBL). Skicraft caters for a wide range of ski, barefoot and wakeboard boating customer requirements. Skicraft offers a limited 3 year structural warranty. Available in a range of colours and designs to suit your individual needs.

Senator Series 4

Following on from the highly successful Senator range, Skicraft has now introduced the 4th in the series offering a full walk through bow section with adjustable wake plate as standard. Available in either mid-mount or V drive. When you drive Series 4 Senator you quickly realise that this boats performance is far beyond your expectations. People ask "Does this boat have power steering?" "No, it does not but it feels like it!" With the flattest wash in its league skiers just keep on smiling. Likewise the wakeboard rider is excited with the achievements of this boat.

RV Rear Mount V-Drive

*Fully adjustable wake plate *Fully adjustable drivers seat with swivel base *Club lounge layout with full walk through bow section *Versatile removable rear centre lounge allowing passengers uninterrupted rear view *Under seat and engine bay storage.

S4 Mid-Mount

*Fully adjustable wake plate *Fully adjustable drivers seat with swivel base *Full walk through bow section *Large fully carpeted boot.
